## Education

**Indian Institute of Information Technology, Allahabad**

2022 – 2026

*B.Tech in Electronics and Communication Engineering*

Prayagraj, UP

- GPA: 7.78

**City Montessori School, Lucknow**

2019 – 2021

- Class 12th, ISC : 98.50%

Lucknow, UP

- Class 10th, ICSE : 94.25%

## Experience

**Salesforce**

May 2025 – Jul 2025

*AMTS Intern* — Golang, AWS S3, DynamoDB, React

- Engineered a scalable backend microservice in Golang to orchestrate asynchronous bulk entitlement meta-data ingestion and validation pipelines.
- Integrated AWS S3 for secure object storage and DynamoDB for low-latency transactional operations, improving operational efficiency for enterprise customers.
- Worked with Kubernetes-based deployments and cloud-native tooling to ensure scalability & fault tolerance.

**Global PathFinders**

Oct 2023 – Apr 2024

*Social Media & Design Head*

- Increased social media engagement by 30% through strategic content creation.
- Conducted a comprehensive content audit, leading to a 25% reduction in bounce rate.

## Projects

**EasyExit** – [Live Link](#) — SpringBoot, MongoDB, ReactJS

- Developed a microservices-based web application for automated gatepass requests, approvals, & verification.
- Implemented secure APIs, reducing paperwork by 100% and improving processing time for students.

**Medify.AI** – [Github](#) — NumPy, Pandas, Flask, ReactJS, Firebase

- Designed a machine learning-powered healthcare platform with AI-assisted diagnosis suggestions.
- Built a metadata-driven architecture for storing and retrieving patient diagnostics.

## Leadership & Volunteering

**GeekHaven (Technical Society of IIITA) -FOSS Wing Member**

Aug 2023 - Sept 2024

- Built the official website of Opencode'23.
- Mentored 50+ contributors in Opencode'23.

**Prayaas (Non-Profitable Organization) -Volunteer**

Nov 2022 - Present

- Volunteered in a student-led initiative, teaching underprivileged kids and organizing 10+ welfare activities to promote education and social awareness.

## Achievements

- Selected among top **100 students** nationwide for the **Salesforce WIT Summit 2024, Hyderabad**.
- Ranked **Semi-finalist** in **Flipkart GRiD 7.0**.
- CodeChef - Max Rating: **1829 (4 star)**
- Codeforces - Max Rating: **1427 (Specialist)**
- Served as Mentor and Organizer at **OpenCode 2023**
- 2nd Position in **M.A.D. 2023 Hackathon**.

## Technical Skills

- **Languages:** Go, Java, C++, Python, JavaScript, SQL, HTML, CSS
- **Frameworks & Tools:** SpringBoot, React.js, Node.js, Express.js, Flask, Kubernetes, Helm, Git, MongoDB, PostgreSQL, Figma, Postman
- **Specialized Areas:** Microservices, REST APIs, Metadata Systems, Cloud-native Deployments, AI-assisted Development, Data Pipelines, Agile Development

## Coding Profiles

- LeetCode: [oshankiii12](#)
- Codeforces: [devlinux05](#)
- Codechef: [soul\\_celestia](#)
- GFG: [oshankiii12](#)
